About This Procedure

This procedure provides instructions for completing forms to process GVTS data. The following information will help you to use the procedure more effectively and to locate further assistance if needed.

How The Procedure Is Organized

Primary sections, page numbering, and the amendment process are described below:

<u>Overview</u> describes the processing of forms and provides related background information.

The **Exhibits** section includes illustrations such as examples of reports or other graphic information.

The <u>Appendixes</u> section contains reference information, such as code lists, accounting charts, tables, or excerpts from other documents.

The <u>Heading Index</u> provides an alphabetical cross reference for locating information quickly and includes the following:

- All headings and subheadings in the text
- · All forms names
- · Key words

Pages are numbered consecutively at the bottom of each page. If the procedure is amended, point pages (e.g., 3.1, 3.2, etc.) are used as needed to accommodate additional pages. All amended pages are marked at the bottom with the amendment number and date.

If you begin receiving this procedure after it has been amended, you will receive the publication with all amendments and bulletins. Remove and insert amended pages according to the accompanying page control chart so that your procedure is current.

What Conventions Are Used

This procedure uses the following visual aids:

- □ Block specifications are printed in italics. Example: **DCN.** (*required, numeric entry; 4 positions*). Enter the document control number.
- □ For date blocks, "(mmddyy)" means that you should enter the date in month/day/year order, using leading zeros for single-digit months and days. Example: Enter the date (mmddyy) that the personnel office received the employee's application.
- □ Data that you must enter exactly as shown is printed in *bold italics*. Example: Enter 32.
- □ Emphasized text within a paragraph is printed in **bold**. Example: A **subtotal** of each column and a **grand total** are calculated.
- □ Figure, exhibit, and appendix references link figures, exhibits and appendixes with the text. These references are printed in a bold font as shown here. Example: See the ABC form (**Figure 15**).
- □ References to sections within the procedure are printed in bold as shown here. Example: See **Ordering New Individual Cards.**
- □ Optional actions at the end of a processing function are preceded by square bullets. Example:
 - To order additional cards....
- ☐ Important extra information is identified as a note. Example: **Note:** Enter only one code.

Who To Contact For Help

For questions about this procedure, contact the Directives and Analysis Branch at **504–255–5322**.

For questions about the system (including help with unusual conditions or obtaining access authority), contact Information Center personnel at **504–255–5230**.

For questions about processing, contact the Document Review and Batching Unit at **504–255–5586**.

Voucher and Invoice Payments Manual Travel and Transportation Payments Government Transportation System (GVTS)

Overview

This procedure is being issued to provide instructions to participating agency offices in the operation of the Government Transportation System (GVTS). The GVTS system allows agencies to obtain transportation tickets for official travel from Heritage Travel, Inc., and to charge the tickets to a unique agency Diners Club, Inc., account instead of the individual traveler's Diners Club credit card or a Government Transportation Request (GTR). The Government Transportation System is authorized by existing General Services Administration (GSA) contracts with Citicorp Diners Club, Inc., and the Federal Travel Management Centers (FTMC's).

To use this GVTS system, the agency's accountable employee responsible for the GVTS account must contact the Office of Finance and Management (OFM) to obtain the agency's 14-digit GVTS account number. The accountable employee must then initiate procedures to establish this account number in the GVTS Account Master File at NFC by submitting Form AD–954, Account Notification – Government Transportation System. When the account has been established at NFC, a report (Notification of GVTS Account Activity) will be produced by the GVTS system to notify the agency of account establishment. No Purchases Can Be Made With The Account Until This Report Acknowledging Account Establishment Has Been Received By The Agency.

Once notification of account establishment has been received from NFC, agency travelers can then contact Heritage Travel, Inc., and order transportation tickets. (Note: The agency travelers do not need to identify the agency's GVTS account number but only their agency.) Heritage Travel, Inc., will charge the ticket purchase to the appropriate GVTS account and will forward billing information to Diners Club. Diners Club, in turn, will submit a monthly billing via Heritage to the NFC for processing through the GVTS system and for payment to Diners Club.

The National Finance Center is responsible for maintaining a centralized master file of all valid GVTS account numbers and is also responsible for the payment of all GVTS account purchases made by agency offices. Cash management practices and related Treasury regulations have been incorporated into the Government Transportation System subject to the requirements of the Prompt Payment Act (Public Law 97–177) effective October 1, 1982.

Reports will be submitted to the accountable employee for reviewing purchases made with the GVTS account number. Reports will also be furnished to the accountable employee to acknowledge processing of the

AD-954 and detail information established in the NFC master file as a result of the request.

Note: This procedure identifies Heritage Travel, Inc., as the official agency currently under contract to supply tickets through this GVTS program. This program could be expanded to include other travel agencies in the future.

Forms

Form AD–954, Account Notification – Government Transportation System. This form is prepared by the agency and is used as the input document for establishing a new agency account number. Form AD–954 also provides the agency with a method to make changes or corrections to an existing agency account (accountable employee information) or to delete an agency account. The original of the form should be submitted to the NFC address shown below:

USDA National Finance Center P.O. Box 60000 New Orleans, LA 70160

Reports

A. Notification of GVTS Account Activity

This report is produced by the system each time the Form AD-954, Account Notification - Government Transportation System, requesting a specific type action (add, change, or delete) is processed at the NFC. It is also produced when the Separated or Transferred Accountable Employee - Responsible for GVTS Account turnaround document is processed. The report acknowledges receipt of the AD-954 request or turnaround document and provides the data that has been updated in the GVTS Account Master File. This report is mailed to the T&A Contact Point address of the accountable employee for review to ensure that the master file has been updated correctly. If there is any discrepancy on the information reported, please contact the Travel and Transportation Section at (FTS) **680–5370** or (Commercial) 504-255-5370. (See Exhibit 2 for a Sample Report – Notification Of GVTS Account Activity.)

B. Monthly Report of GVTS Payment Activity

This report is produced monthly and mailed to the T&A Contact Point address of the accountable employee. It summarizes all GVTS transportation ticket purchases paid by the NFC during the previous month. The report lists each traveler in social security number sequence and details each separate ticket purchase. The report also reflects any credits due agencies as a result of unused or partially used tickets.

This report was designed by the NFC to assist accountable employees in monitoring GVTS activity. It permits the accountable employee to verify that payments were authorized, that the ticket purchases were charged to the correct agency, and that credits due agencies were given. If there is any discrepancy on the report, please contact the Travel and Transportation Section at (FTS) 680–5370 or (Commercial) 504–255–5370. (See Exhibit 3 for a Sample Report – Monthly Report Of GVTS Payment Activity.)

C. Separated or Transferred Accountable Employee – Responsible for GVTS Account

This report will be produced for use by the appropriate approving official after each pay period in which an accountable employee has been transferred or separated. This report serves a twofold purpose: (a) to notify the responsible approving official when an accountable employee has been separated, transferred to another office location, or has retired, and (b) to request the approving official to designate a new accountable employee.

The report functions as a turnaround document that the approving official can conveniently use to notify NFC that accountability has been transferred to another accountable employee. Space is provided to enter necessary information to establish the new accountable employee on NFC's master file. Once the turnaround document has been processed at the NFC, the Notification of GVTS Account Activity report will be produced by the GVTS system and mailed to the appropriate accountable employee. (See Exhibit 4 for a Sample Report – Separated Or Transferred Accountable Employee – Responsible For GVTS Account.)

Responsibilities

A. Agency Accountable Employees will:

- **1.** Contact the Program Development Staff, Office of Finance and Management (OFM–PDS), to obtain the agency's GVTS account number.
- **2.** Submit a properly prepared AD–954 to the NFC to establish the agency's GVTS account number, to make changes to existing accounts, or to delete accounts in the NFC's master file.
- **3.** Establish adequate internal procedures to safeguard the agency's GVTS account from improper or unauthorized use. For example, tickets could be delivered to a central location to be matched to an AD–202, Travel Authorization, before being released to the traveler.
- **4.** Verify, upon receipt of the "Notification of GVTS Account Activity" report, that action taken on

AD-954's is consistent with agency records. Notify the NFC of any discrepancies appearing on the report.

5 Review the "Monthly Report of GVTS Payment Activity" and notify the NFC of any errors in payments reported. Verify that credit amounts reflected for unused or partially used tickets are correct.

B.Agency Appointing Officials will:

- **1.** Ensure that the accountable employee for their agency maintains proper control of the GVTS account to prevent unauthorized usage.
- 2. Ensure proper agency procedures are in effect and are followed by the accountable employee to ensure adequate control of the ordering of tickets.
- **3** Promptly submit a completed AD–954 to the NFC identifying a replacement official when an accountable employee separates or transfers.

C. The National Finance Center will:

- 1. Establish and maintain a master file of valid GVTS account numbers.
- **2.** Make payment to Diners Club, Inc., on behalf of each agency upon receipt of the automated billing package.
- **3.** Furnish reports of GVTS account activity to the accountable employees for review.

General Processing Guidelines

The following guidelines are provided to assist agencies in the processing of GVTS accounts.

A. Obtaining An Agency Account Number

The accountable employee for each participating agency must contact the Program Development Staff, Office of Finance and Management (OFM–PDS), at (FTS) 382–1215 or (Commercial) 202–382–1215 to obtain their agency's unique account number. No Purchases Can Be Made With The Account Until It Has Been Established In The GVTS Account Master File At NFC And The Agency Has Received Notification Of Account Establishment From NFC. (See Paragraph 4B below for establishment procedures.)

The 14-digit GVTS account number is formatted as follows:

3889 - identifies Government account

9282 - identifies USDA/Heritage

XX – agency code

XXXX – assigned by Diners Club, Inc.

B. Establishing An Agency Account Number at NFC

When the agency's account number is obtained from OFM and before its use, the accountable employee must

Title II Chapter 2 Section 5

Voucher and Invoice Payments Manual Travel and Transportation Payments Government Transportation System (GVTS)

prepare and submit directly to the NFC a completed Form AD–954, Account Notification – Government Transportation System. This new form was designed to establish the new GVTS account number in the NFC's master file and to identify the accountable employee responsible for ensuring proper control and usage of the account. When the account has been established in GVTS, a report (Notification of GVTS Account Activity) will be mailed by NFC to the accountable employee detailing the information established in the master file record. Once this report has been received acknowledging account establishment, agencies may begin to procure transportation tickets with the account.

C. Ordering Tickets With The GVTS Account

Once notification of account establishment has been received from NFC, agencies may begin to charge tickets obtained from Heritage Travel, Inc., to the account. Agencies in the metropolitan Washington, D.C., area can contact Heritage Travel by calling 863–4250. Heritage Travel also has a toll free number for calls placed from outside the Washington, D.C. area. This toll free number is **1–800–626–5200**. Both numbers are accessible 24 hours a day, 7 days a week. The following specific information must be provided to the travel agent each time tickets are ordered:

- 1. Traveler's full name (first name, middle initial, and last name);
- 2. Traveler's social security number;
- **3.** Name or two-digit code for the agency that will be charged for the payment; if this agency is not the traveler's employing agency, also identify the employing agency;

Note: The traveler does not provide the 14-digit GVTS account number when ordering tickets. Heritage will match the agency name or 2-digit agency code to the appropriate GVTS account.

- **4.** Location at which travel will begin and the destination point;
- 5. Beginning and ending dates of travel;
- **6.** Appropriate code for type of travel;
 - 1– Domestic travel (within the 48 states and District of Columbia)
 - 2 Foreign travel
 - 3 Transfer-househunting
 - 4 Transfer-other
 - 5 Multiple-person travel
 - 6 Domestic travel-other (outside the conterminous U.S.)

Note: If the type of travel code is not provided, the travel agent will automatically code the trip as domestic travel or foreign travel depending upon the locations involved. Therefore, the appropriate code should always be furnished.

- **7.** Purpose of travel code that describes the purpose of the trip; (See <u>Appendix D</u>, Purpose of Travel Codes and Definitions.)
- **8.** Travel authorization number from Block 1 of Form AD–202. Travel Authorization:
- **9** Properly formatted accounting data for the GVTS purchase (maximum 15 positions).

D. Reporting GVTS Transportation Expenses on Form AD-616, Travel Voucher

Transportation tickets purchased with the GVTS account number must be reported on the travel voucher in a special manner as defined below:

In Section B, Transportation Costs, on the front of the AD–616, provide all the information normally requested when transportation is purchased with GTR or an individual's Diners Club charge card. However, instead of a GTR number or the words "Credit Card", insert the words "GVTS ACCOUNT" in the "GTR Number" column. (See Exhibit 1 for a Sample Form AD–616, Travel Voucher.) Do Not Show The GVTS Account Number On The AD–616 And Do Not Claim Reimbursement For The Cost Of The Ticket On The Voucher.

- Attach the ticket stub to the voucher.

E. Processing Unused or Partially Used Tickets

The traveler must not send any unused or partially used tickets purchased with the agency's GVTS account to NFC. The traveler is responsible for making arrangements directly with Heritage Travel, Inc., to have the refund for unused or partially used tickets credited on a future Diners Club billing statement submitted to NFC.

Travelers should write "TRIP CANCELED" on the front of unused tickets to prevent unauthorized use. The amount of any refund due the agency (if known at the time the travel voucher is prepared) should be deducted from the total original purchase price of the ticket and only this reduced amount should be shown on the AD-616, Travel Voucher, in Section B.

When credits for refunds of unused or partially used tickets are processed at the NFC, they will be reflected on the Monthly Report of GVTS Payments Activity.

Title II Chapter 2 Section 5

Inquiries

All inquiries related to the Government Transportation System (GVTS) should be directed to the Travel and Transportation Section:

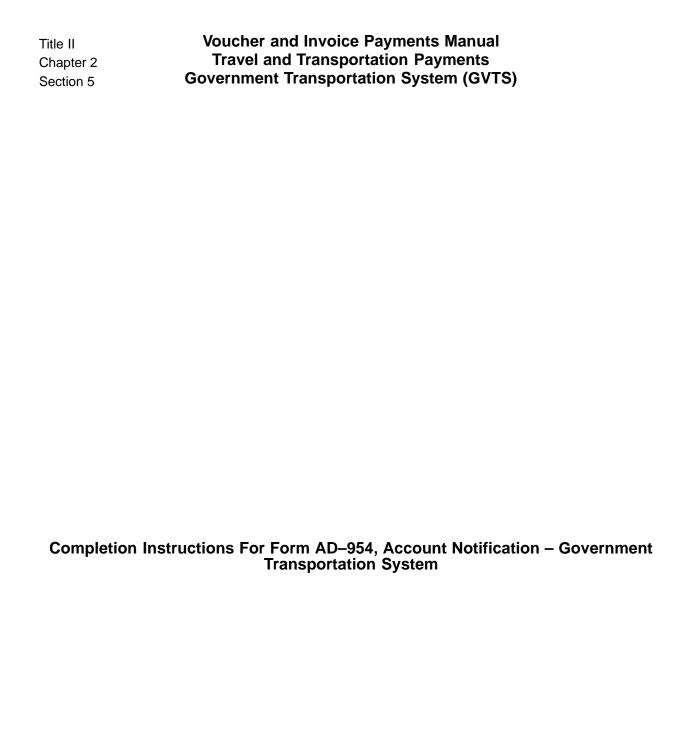

A. Telephone Inquiries

Telephone inquiries should be limited to urgent matters requiring immediate attention or discussion. The number for telephone calls is (FTS) **680–5370** or (Commercial) **504–255–5370**.

B. Written Inquiries

Special requests, inquiries requiring lengthy research, and routine requests for copies of printouts should be submitted on Form AD–354, Request for Special Information. Such requests should be mailed to:

USDA National Finance Center Travel and Transportation Section P.O. Box 60000 New Orleans, LA 70160

Accounting Code Formats

This exhibit reflects the accounting formats used on all feeder documents that carry accounting classifications. Accounting classifications consist of fields and subfields that vary in size according to the number of assigned positions. The fields and subfields are divided by solid lines. Fields A, B, and D are not subdivided, while Field C has two subfields and Field E has four subfields. Agency entries in a field or subfield must contain the exact number of digits as shown in the exhibit. Spacing is not required when more than one element is contained within a field. Digits may be entered in any manner inside the borders defining the position spacing of the field or subfield. Leading zeros are used when required.
